

COMPRESSED AIR.

INDEX TO VOLUME NO. VII.

MARCH, 1902, TO FEBRUARY, 1903, INCLUSIVE.

A.

Abuse in the Use of Compressed Air.	1954
Adiabatic Expansion and Compression of Gases.....	1818
Air Brake "Parasites".....	1978
Air Compressor Diagrams.....	2209
Air Compressor for Driving Model Engines	2070
Air Compressors at the Düsseldorf Exhibition	1956
Air Enmeshed in Falling Water....	2268
Air for Power.....	1799
Air Haulage	1726
Air Hose Repairing.....	1937
Air Lift Pump on the London Central Railway	1936
Air Washer for Compressor Inlets.	2082
American and European Practice in Air Compressors (Editorial).....	1759
American Compressor in Scotch Shipyards	1983
American Manufacture of Ping-Pong Balls	2131
Another Instance of Electricity in Coal Mines	2100
Apparatus for Testing Miners' Lamps	1731
Arctic Ice and Cold Storage Company's Compressed Air Pumping Plant	2025
Arnold's Electro-Pneumatic Motor Car	1940

B.

Baldwin Pneumatic Bench Vibrator.	2084
Big Rock Blasting in Wales.....	2024
Billancourt Compressed Air Plant, Paris	1893
Boiler Works Compressor Plant....	1745
Boston Pneumatic Tube Service....	1905
Brooklyn Elevated Railway Chooses the Westinghouse Electro-Pneumatic System of Train Control....	2181
Building a Tube.....	2257

C.

Chain Coal Mining Machine Operated by Compressed Air.....	2201
Changes in Compressed Air.....	2170
Cleaning of the Railway Passenger Coach (Note)	2091
Cleaning Steel Structures Before Painting	1863
Cleaning the St. Charles Hotel, of Milwaukee, Wis., by Compressed Air (Note)	1915
Colliery Ventilating Machinery....	2043
Communications ..1748, 1868, 1992, 2032, 2092, 2216, 2278	
Comparison Between Schütz Two-stage Air Compressor with Self-Acting Valves and Oscillating Valves (Note)	1915
Comparison of Compressed Air with Steam and Electricity at Rossland, B. C.	2013
Compound Air Compressor.....	2140
Compressed Air	1760, 2155
Compressed Air and Air Compressors	2007
Compressed Air and Bore Wells....	1959
Compressed Air as Transportation Agent	2202
Compressed Air Car in Severe Service	1984
Compressed Air Fog Signal Plant..	1727
Compressed Air for Mining from Electric Power	1847
Compressed Air for Pumping Oil Wells	1735
Compressed Air for Pumping Plants.	1810
Compressed Air for Pumping Water from Deep Wells (Editorial).....	1880
Compressed Air for World's Fair Tower at St. Louis.....	2187
Compressed Air Haulage	2000
Compressed Air in a Mine Disaster.	1919
Compressed Air in Mines.....	1837
Compressed Air in Mining.....	1923

COMPRESSED AIR.

Compressed Air in the Machine Shop and Foundry.....	2101	Electrically Operated Air Compressors	1851
Compressed Air Locomotives.....	2072	Electric and Compressed Air Locomotives	1820
Compressed Air Locomotives Manufactured by Schweizeresche Locomotiv & Maschinen Fabrik Winterthur	1906	Electricity in Mines.....	2100
Compressed Air Machine for Making Glass	1948	Electric Power for General Purposes in Mining and Milling.....	2171
Compressed Air Mine Hoists.....	1984	Electro-Pneumatic Control of the Moon Island Sewage Reservoir...	1887
Compressed Air Not Likely to Cause Disastrous Explosions	1777	Ellithorpe Safety Air Cushion (Note)	1827
Compressed Air Oil Service.....	1736	Equipment for a Small Brass Foundry	1778
Compressed Air or Steam Hammer.	2270	Experiments in Traction.....	1903
Compressed Air Reheating	1934	Experiments with Coal Cutting Machines in the Ruhr District.....	2177
Compressed Air versus Gas and Steam	1940		
Compressor at Oorgum Gold Mine.	1948	F.	
Compressors at the Canadian Niagara Falls Power Co.....	2271	First Aid to the Injured in Mining Accidents	2050
Construction of the Hanover Bank Bldg., N. Y.....	1806	Franklin Air Compressor (Note)...	1828
Continuous Power	2229	Freezing of Moisture Deposited from Compressed Air	1804
Convenient Air Jack.....	1778		
Cooper's Pneumatic Shield.....	2143	G.	
Corrington Air Brake.....	2017	Gas in Los Angeles, Cal. (Note)....	1826
Country Engine Room.....	1974	Gas Producer Working with Compressed Air	2022
Cylinder Sizes on Air Compressors.	2210		
D.			
Dake Pneumatic Chain Hoists and Air Motors	2265	H.	
Darlington Boring Machine.....	1908	Harris System of Pumping by Compressed Air as Applied at the Deloro Mine	1881
D'Auria Air Compressor.....	2146	Heat, Man's Most Useful Servant..	2189
"Dense Air" System of Power Transmission in Deep Mine Pumping..	2199	Heisler Air Compressor.....	2142
Dental and Surgical Air Pump....	2198	High Drop Test of an Elevator Safety Air Cushion.....	2074
Distribution of Power in Mines....	1768	Homestake Hoist and Plant.....	2148
Double-Acting Air Compressors....	2197	Hot Air Engines.....	1809
Doubling the Efficiency of Compressed Air	2205	House Cleaning with Air.....	2262
E.		Hydraulic Air Compressor at Norwich, Conn.	2149
Economy Derived from Reheating Compressed Air	2060	Hydraulic Compression of Air.....	2056
Edwards Air Pump.....	2079		
Efficiency and Capacity Test of the Ingersoll-Sergeant Drill Co.'s Plant Installed for the Boston Transit Commission, Boston, Mass.....	2119	I.	
Efficiency Test of a Nordberg Air Compressor at the Burra Burra Mine of the Tennessee Copper Co.	2254	Imperial Type of Air Compressor...	1802
Ehrenfeld Plant of the Webster Coal & Coke Co. (Note).....	1873	Improved Hose Coupling.....	2151
Electrical Engineers' Pocket Book..	1948	Independent Motor Cars (Note)....	1752
Electrical Equipment Manhattan Elevated Railroad	2206	Indicator Cards from Air Cylinders.	1896
		Ingersoll-Sergeant Drill in Hawaiian Islands	1987
		J.	
		Josse Air Compressor (Note).....	1913

COMPRESSED AIR.

K.

Koerting Gas Engine.....	2269
Krupp Collieries of Essen, Rhenish Prussia (Note)	2276

L.

Large Air Compressor.....	1975
Letters by Tube.....	2082
Leyner & Co. Air Compressors (Note)	1874
Little Story with a Moral.....	2154
Liquid Air Motor Car (Note).....	1874
Locke Electric Rock Drill.....	2138
Low Pressure Pneumatic Signalling at Salisbury	2267
Lubrication of Air Pump Air Cylinders	1810
Lubrication of Compressors.....	2223

M.

Machinery Department at the Düsseldorf Exposition	1998
Mail Tubes for Chicago.....	2272
Making of Liquid Air.....	2196
McCann Spreader Car.....	1920
Merrill-Brett Drop Hammer.....	2174
Midget Motor Power Engine (Note)	2163
Miller Air or Liquid Pump.....	2152
Miners' Phthisis	2193
Modern Water Supply Stations for Locomotives	1946
Moisture in Compressed Air.....	1728
Morrison Automatic Air Safety Valve	1783
Motor Compressor	2261

N.

New Air and Gas Compressor.....	1766
New Clam Shell Dredge Operated by Compressed Air.....	2020
New Deep Pumping System in the Far West	1921
New Idea for an Air Compressor...	1820
New Means of Using Compressed Air in the Manufacture of Glassware	2030
New Trap for Compressed Air Mines	2080
New Type of Air Compressor.....	2134
New York Rapid Transit Tunnel...	1985
North River Tunnels by the Sooy-smith Freezing Process.....	2123
Notable Ship Riveting by Pneumatic Tools	1867
Notes....1748, 1786, 1822, 1868, 1911, 1950, 1988, 2032, 2085, 2160, 2210.	2274
Notes on Indicator Cards from Air Cylinders	1896

Novel Air Compressor.....	1982
Novel Engine, Which Runs by Oiled Air, is a New Form of Motive Power	2208

O.

Oils and Lubrication.....	2084
Ozone for Sterilization of Water...	1910

P.

Patents	1753, 1791, 1829, 1875, 1916, 1951, 1992, 2037, 2093, 2165, 2217, 2279
Paxson-Warren Sand-Blast System.	1932
Piston Travel Recorder *for Air Brake Cylinders	2158
Pneumatic Bulldozer, Pittsburg & Lake Erie Shops.....	1861
Pneumatic Chipping Hammer.....	1986
Pneumatic Coating Machine.....	1945
Pneumatic Fire Door Opener.....	1845
Pneumatic Fire Fighting Tower...	2160
Pneumatic Flue Welding Machine..	2210
Pneumatic Forging Machine (Note)	1751
Pneumatic Jack	2246
Pneumatic Locomotive Attachments.	1731
Pneumatic Lubricator	2263
Pneumatic Power Hammer.....	1904
Pneumatic Staybolt Appliances....	1980
Pneumatic Tools	2150
Pneumatic Tube Service in Modern Factories	1981
Pneumatic Tubes for Mail Service.	2186
Pneumatic Water Supply System...	1982
Portable Oil Rivet Forge.....	2159
Portable Pneumatic Riveting Machine	1743
Portable Pneumatic Riveting Plant.	1731
Port Huron Air Motor Drills.....	2246
Power Multiplying Air Compressor.	2029
Pressure System of Pneumatic Tubes	2137
Priest Snow Flange.....	2203
Protection	1725
Pumping Oil Wells by Compressed Air	2077
Pumping Stage at Beaumont.....	2143
Punch Operated by Combined Air and Hydraulic Pressure.....	2139

Q.

Quadruplex Two-Stage Air Compressors	2067
--	------

R.

Raising Liquids from Shafts, Boreholes, etc., by Means of Compressed Air	1899
Rand Belt and Motor-Driven Compressors	1938

COMPRESSED AIR.

Reavell & Co. Air Compressor (Note)	1826
Reheating	2150
Reheating Air for a Compressed Air Mine Hoist Driven by Electric Power	2018
Removing Sand from Wells by Compressed Air	1941
Resume of the Use of the "Baby" Air Drill at the Gold Bank Mine.	1976
Reversible Pneumatic Drill.....	1944
Review of "Compressed Air" (Editorial)	1724
Rock Boring Machinery.....	2259
Rock Drill as a Blacksmith's Hammer	1979

S.

Safe Ratios in Air Compression....	2224
Small Vertical Belt Air Compressor.	2273
Snow Plow (Note).....	1752
Some Observations on the Deep Pneumatic Work of the New East River Bridge Foundations.....	1840
Some Special Applications of Compressed Air	1737
Substructure for the 1,800 ft. Cantilever Bridge at Quebec, Canada.	2240

T.

Test of a High Lift Air Lift Plant at Grinnell, Iowa	2042
Tilghman Sand-Blast (Note).....	2090
Tools for Repairing the Boyer Long-stroke Pneumatic Hammer	1780
Trethewey Automatic Train Pipes Coupling	2026
Tunnel Construction for the Cables of the Illinois Telephone and Telegraph Co.	2272
Tunnel Construction for Underground Steam Pipes.....	1741
Tunnel Hospital	2208
Tunnel Under the River Thames at Greenwich Street (Note).....	1875

Two Useful Pneumatic Tools.....	1812
Tynan-Annealer and Rivet Heating Forge	2192
Types of Foreign Air Compressors..	1854

U.

Underground Compressed Air.....	1771
Unusual Water Supply Plant.....	2028
Use of Compressed Air in Mining..	1814
Use of Compressed Air in Mining (Editorial)	1798
Use of Low Grade Oil and its Effects Upon the Air Discharged from a Compressor	1997

V.

Vaporization Experiments	1985
Various Methods of Conveying Power to the Interior of Mines... ..	2248
Velocity of Air Flowing Under Pressure	1909
Ventilation in Mines.....	2185
Volumetric Efficiency of an Air Compressor Cylinder	1834
Volumetric Efficiency of an Air Compressor Cylinder (Editorial).....	1833

W.

Wachusett Dam of the Metropolitan Water Works at Clinton, Mass. (Note)	1827
Water Supply from Deep Wells by Air Power	1970
Water Trap for Compressed Air Mains	1741
Western Air Lift Plant.....	1947
Westinghouse Electrically Driven Air Compressor	2206
Westinghouse Machine Co.'s Blowing Engine (Note)	1791

Y.

Yield of Air Compressors.....	1764
-------------------------------	------
